I. BASIS FOR JURISDICTION

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation, and the amount in controversy is more than \$75,000, is a diversity case. In a diversity case, no defendant may be a citizen of the same State as any plaintiff.

III. STATEMENT OF CLAIM

Place(s) of occurrence: New York City, Brooklyn

Date(s) of occurrence: From 08/18/20 - Present 08/21/20.

FACTS:

State here briefly the FACTS that support your case. Describe what happened, how you were harmed, and what each defendant personally did or failed to do that harmed you. Attach additional pages if needed.

All of my children's gifts were packaged together in one file and sold off by Sellers of Stones. Before-hand all of us were given money for the sellers of Stones to retrieve the children's gifts. The difference was: the sellers of Stones know what the money was to be used for and the others did not.

Not only did the sellers of Stones did the retrieval damages by the children but also did damaging act on the children's father and me. It's common sense no parent in his or her right mind would accept \$20 to harm their children knowingly. I received money but it was never told to me the exact "meaning" for the

giving. Once I wrote about a \$20 I received in my order. I thought the Court of Appeals had sent someone to give it to me because I had asked for lunch money as a relief from Court of Appeals. Via vision someone told me "Stop telling me about your children - deal with the uncomfortableness." All of the children gifts and abilities were altered in several different ways. One child was given all the gifts by Jesus. Those gifts/abilities were

INJURIES:

If you were injured as a result of these actions, describe your injuries and what medical treatment, if any, you required and received.

uncomfortability -
Decrease in vision, memory, hearing, Decline health and hygiene.
Blurry eyes, temple pain, neck pain, chest pain. Blocked paths to
housing + food. Oppression. stalked, monitored. Traumatized.
Overwhelm. Exposure to the elements. Swollen ankles. Reunion
dirty clothes. harassed. Psychological distress, mental stress.

IV. RELIEF

State briefly what money damages or other relief you want the court to order.

I would like to ask the court to ask the court to bring in the FBI to investigate & arrest.

I would like to ask the court to order the defendants restore all what was subverted and to compensate me for creating hardships, stressors,

FACT (2)

cut in half.

I looked as I saw a child's pair of shoes being placed on the wrong sides continuously for the child to put on. The person when the child finally put on her shoes left to right. I heard someone said "they were there before let's see how you handle the same problems".

Another said "It's you I am waiting on Yvonne." This child was altered to back-talk. Another child was made to be cold and with insomnia. I saw one shivering and another made to be as a sour-lemon.

Turn to the dark-side. "Drop the stone you are carrying" I heard.

The person went on "if it is making you sick." Things like that did not shock me because the children are all in the environment manufacturing them. One child was made to be autistic-lagging behind.

The children's father was altered to run out and abandon them. Someone said "close the door."

I heard him said "I am moving on before it get worse".

A whole pack of foolishness and wasted time. Time spent on the wrong things. Foolishness and foolishness. If is not one thing is something else. The defendants are very, very toxic. I am holding them accountable of theft. I am holding them accountable for present and future psychological and physical alteration - possibly permanent damage.

This is an emergency I would like to ask the court to remove all my children from care-givers and placed them into my hands and house. I would like to ask the court to order all

FACT (3)

responsible to replace all the children's gifts/abilities back to them.

I have filed previous orders with the court against court of appeals and others. I believe court of appeals is wasting time to give me my children by allowing others to proceed with wicked and harmful acts. I am holding court of appeals accountable of retaliation and putting profit before people/children.

I am faced with hostility all over. It got worse. A couple days ago I got up with my head hurting. The night before all dreams were erased. Last night I had to cover my head with cardboard again to shield it from neurological blows. Those people behind the objects are like hound-dogs.

Just about everyone pursuing me to financially wipe me out are not taking into consideration my present pregnant condition. In addition to all that is written here a defendant had set out to poison and or put me to sleep permanently.

Yesterday a young man asked me "if I wanted something to eat and drink."

I looked as he showed me a pack of nuts, a bottle of Twister and home-made sandwich. No, I want nothing. No nuts to drive me nuts, no poison sandwich or nothing to have/get me twisted up.

My Condition remains the same. Urine/bladder problem - holding urine in for a long time. I am holding the defendants accountable for future urinary tract infections. I am holding the defendants accountable for attempted murder of babies and myself.

I cannot breathe when they pursue me. 11:45 last night I told them "Go to bed."

FACT (4)

It is hard on me. My feet is not getting any better being made/driven to constantly cycle. I did not sign up for a "hot pursuit". These people around me are hostile and like crazy donkeys.

I had a quick change of mind last night. I left the bawough Hall location "Game Stop" took last night for another took in another far away zip code. Please put my money back. Also Sand H Produce; vehicle # ?? 25199 put my money back.

The driver of the truck about think he is sick. I ran out when he was not looking. 4:38am this morning. He was waiting for me at Broadway and 71st street for money/req. This driver and JH are buddies in crime. They both did the same act two weeks ago. My took was located at 230 Columbus (Theory).

It got to money the quarrell was about that came from inside car J7X9801 as it punked in front my took. (4:20am). Too much time spent on the wrong things. The garbage trucks (same-thing).

At 72nd Street ~~present~~ subway (5:00am) the MTA and NYPD were at it again yesterday. As I shift from side to side "bottle" blows kept coming. I was at Soul-cycle day before night. Check out the activities around me. Check out the bicyclist, including the GrubHubs guys.

A trait of HRA rushing to diagnose and put labels on children/people to stain them for life. I have been there. Please remove all labels from my children.

Fact (5)

A couple people randomly passed by and stole. Yesterday morning was worse than this morning. They walked and rode. They even came by groups. Waste connection (garbage) came by 2:05am. They eyed and came after the trolley bag. M+M came by 11:47. The defendants are taking advantage of the "nooks". I barely sleep over 2 hours there. I ran from Game Stop last night. I want my money back. I ran from IRO the night before.

RELIEF (25)

suffering and pain.

I would like the court to once again order the anti-social club members and others to stay away from me - Place an "alert" message on their website.

I would like to ask the court to hand over my two houses keys to my Bishop. It is an emergency and important to get the kids and myself stability now. I love all my children.

I would like to ask the court to remove the medical OR/AND other labels given to my children.
